PROFESSIONAL EXPERIENCE

As Marketing Director, Ellisse leads Compass Commercial's marketing initiatives, ensuring a strong brand presence across all platforms. She collaborates with brokers to develop targeted marketing strategies for each listing and oversees the creation of high-quality materials, from flyers to offering memorandums. She also manages the company's marketing CRM, advertising efforts, and budget while maintaining brand consistency across all collateral. She draws on her Central Oregon upbringing to create more effective marketing materials for our clients.

Ellisse first joined Compass Commercial as an intern in 2008 and officially became part of the team in 2013 after attending college and working as a freelance designer. In 2020, she spearheaded a company-wide rebrand, modernizing the Compass Commercial identity with updated logos, signage, and marketing materials. Her leadership and innovative vision earned her the prestigious Founders Award that same year. Ellisse was awarded shareholder at Compass Commercial in 2022 and currently serves as vice president of the company.

Beyond her official role, Ellisse is the driving force behind Compass Commercial's culture, proudly embracing her unofficial title as "purveyor of fun." She organizes company events, happy hours, and the Annual Compass Appreciation Party, fostering a vibrant and connected workplace.
