PROFESSIONAL EXPERIENCE

As the Operations Manager, Steven ensures our managed commercial properties are held to a high standard. Before his promotion in 2023, he worked alongside the maintenance team as the Senior Facilities Technician. Steven was responsible for supervising and training the maintenance team to complete repairs, installation and maintenance for the company's managed commercial properties.

Steven has worked in the construction industry since his early days in high school, where he handled maintenance on small and heavy construction equipment and retrofitted utilities. Before joining Compass Commercial, he owned a masonry business where he worked as a general contractor and mason.
