SPECIALTIES

Construction Management, Project Oversight, Scheduling, Client Relations, Vendor and Subcontractor Coordination, Leadership of Field and Office Teams

PROFESSIONAL EXPERIENCE

With more than four decades in the construction industry, Bob brings both the technical expertise of a seasoned superintendent and the strategic vision of an executive leader. As Director of Construction at Compass Commercial Construction, Bob oversees the entire construction department, providing direction for both office and field operations. He leads project managers and superintendents across multiple job sites, ensuring that all projects are delivered on time, on budget, and to the highest quality standards.

Bob collaborates closely with architects, engineers, city agencies, and clients to navigate permitting, regulatory compliance, and construction execution. His background spans commercial, medical, multifamily, and industrial sectors, with experience managing large-scale developments and high-profile projects. Prior to joining Compass Commercial in 2024, Bob completed a \$34 million affordable housing project in Portland and helped deliver a \$160 million multi-building commercial development in Hillsboro, OR.

Recognized for his supervisory excellence, Bob has led teams of up to nine superintendents on a single project. His ability to balance high-level oversight with client-focused service makes him a trusted leader for tenants, landlords, and developers alike.

COMMUNITY INVOLVEMENT & INTERESTS

Bob's passion lies in motorcycles and restoring classic cars, including a fully refurbished 1969 Chevrolet Camaro he gifted to his wife. Having lived in Sunriver for more than 20 years, he enjoys boating, fishing, and motorcycle trips with his wife, embracing the Central Oregon outdoor lifestyle.
